RE: Scholarship to the 2012 IAEAPE Conference

Once again, we are happy to be able to offer scholarships for attendance at our annual conference. This year, our conference will take place in Annapolis, Maryland.

We will accept requests for registration, travel, room, or any combination thereof. In order to be eligible participants must (1) be an active member of IAEAPE, (2) be working in an employee (or faculty and staff) assistance program in education, and (3) be employed by an institution that does not provide adequate funds for professional meeting attendance. If you have any questions, please contact a member of the scholarship committee.

Please send your applications to Orlando Gonzalez, IAEAPE Treasurer, at orlando@miami.edu. The deadline for submission of all applications is September 1, 2012. We hope to hear from as many of you as possible. We want to see you in Annapolis. To that end, we will do all we can so that expenses are not an obstacle for any IAEAPE member who is currently working within an FS/EAP in education.

The Scholarship Committee will recommend scholarship distributions. After the Executive Board approves the recommendations, all applicants will be notified of the outcomes. We would like to be able to notify scholarship recipients as soon as possible after the deadline date of September 1.

We are looking forward to hearing from you!
